ORE AT A GLANCE

Ore Co, ltd is a faithful supplier in Vietnam that is founded by leading engineers in the Automotive, Electronics, and Mechanical fields. "Success Together" directs our goals and strategies. Our products cover from consuming items, and MRO equipment to manufacturing machines but not limited to package solutions to support as well as promote clients' production capacity. ORE focuses on making long-term and faithful relationships with our clients and suppliers not only by providing immediate and reliable products of high quality but also by continually exceeding expectations and goals. We create transparent commercial flows, and import-export products from authentic origins to give true benefits.

We look forward to welcoming you to come with us and work to develop and enhance your business in Vietnam then contribute to sustainable development

WHAT GUIDES US

At ORE, we believe that success comes from three pillars “teamwork with bona fide”, “continuous study by open minds”, and “sincerity with consistency”. Giving true value to partners is our purpose. So, ORE applies all our resources to satisfy customers' and partners' expectations within the base code of ethics that lead to inner happiness.

OUR VISION

“A VIETNAMESE COMPANY MEETS INTERNATIONAL STANDARDS”

OUR MISSION

“SUCCESS TOGETHER”,

Inspiring natural smiles from inside people, being more active and creative in every action to achieve the set goals as quickly as possible. Thereby achieving happiness and spreading happiness to those around ” ”

OUR VALUES

“TRANSPARENCY - LOYALTY - HAPPINESS”

OUR SUPPLIERS

OUR CLIENTS

We have had the good fortune of being involved with many strong global companies. Our clients are our starting point. They drive our actions and work collaboratively with them to achieve results they can measure. Our size enables our specialists to work closely together to develop tailor-made solutions that meet our clients' evolving needs. Here are some clients we have recently added to our growing list of partnerships.
